

Hi, Booklovers!

I'm excited to introduce my latest femmes-noir thriller *I Last Betrayal*.

It's the third book in the Angeline Porter trilogy. If I were asked to say five things to describe it, I'd say:

Kickass protagonist  
Hot, stormy Florida  
Missing sister  
Blood-thirsty mob  
Charming FBI agent

Oh, wait, I have a sixth: Tempest, the rescue dog

You've probably noticed the testimonials about *I Last Betrayal*. When they came in, I danced, cried, laughed, and ate chocolate. These authors are some of my favorites and that makes me even more grateful for their heartfelt words.

**If you have a book club**, I'd love to visit via Skype, Zoom, or Facetime. I have to warn you—I entertain. I think it's important for readers to see the real me, the author of the novel. You're guaranteed a fun time.

If you're interested, shoot me an email at [valerie@valeriejbrooks.com](mailto:valerie@valeriejbrooks.com). I'll be happy to answer all your questions.

Until then, stay strong and keep reading!
